Game Boy Camera Portrait 5

I take your photo with a Game Boy Camera, and deliver it via email.

Power Word 10

I refer to you by a title of your choosing for the remainder of the session. WARNING: Ego trip.

We Have Grapes at Home Single 1 Quintuple 3

To avoid cross-contamination, I'm not allowed to feed you real grapes, but I can feed you individually-wrapped Kasugai Muscat grape gummies, which are almost as good.

Mars Bar Challenge Here comes the train 10

I feed you a Mars bar by hand. You get to decide what the implications of this are.

Host-on-Host Action 20

I kiss another host. You get to watch. A \$20 is a \$20, right?

Pistol Squat 15

I perform a pistol squat just for you. Limit 1 per session—I have to use these legs all night.

Super Real Yakuman 1st Match 30 Rematch 15

Challenge me to a Game of *Yakuman* over a link cable. If you win, I slowly undo my bow tie. If you lose, I'll let you pick a free item off the menu for your trouble. Limit 1 rematch per customer, and no extra freebie if you take it. Second Game Boy and link cable provided by me.
